

	Strongly Agree	Agree	Undecided	Disagree	Strongly Disagree
The arrangement of the classroom helped make discussion possible					
The handouts presented information in an accurate, organized, understandable manner					
The digital visual aids enhanced the sessions.					
Too much information was given at the session					
There was adequate time to ask questions					
I feel that this session was practical and will be useful to me in my work					

What could have made the session more relevant to your needs?

Would additional materials have been helpful? Yes No

If yes, what kind of handouts would have been helpful?

Overall, I would rate this session as:

Poor Fair Good Very Good Excellent
